My Dear Friend,

I was most happy to receive your letter of 7 April, and to learn that you will be coming to the United States in May, and I am looking forward to seeing you with the greatest possible pleasure.

After you have done your duty I assume you will come to Washington. If you had not specifically planned to do this, however, let me urge you to do so as the guest of this organization, or at least to give me the pleasure of having a dinner for you here where you will meet old friends and comrades. Also, we must have a long talk.

Sincerely,

/s/ *Walter B. Smith*
